#### **Visual/Interface Designer** 06/2012 - 08/2012

##### **TrickPlay**

Worked in teams with other interns at Trickplay to create applications that demonstrate the capabilities of the Trickplay software platform. Designed the interface for each application, on both the television and mobile devices.

#### **Production Artist/Graphic Designer** 03/2012 - 04/2012

##### **CCD Innovation**

Designed and produced templates for marketing, pitch and presentation materials whilst working with pre-existing content and an established brand and visual language.

#### **Multimedia Design Intern** 05/2011 - 11/2011

##### **Orange France Telecom - Orange Silicon Valley**

One of the world's leading telecommunications operators with 131 million customers.

Designed publications that are distributed locally and internationally. Managed a weekly newsletter.

Collaborated on the interface design and user experience design for a smartphone application. Video recording and editing.

#### **Freelance Graphic Designer** 06/2010 - Present

##### **Novel Poster - Kickstarter Project**

Responsible for creating iconic images and implement those into large scale typographical posters.

Work with Lead Designer to produce a final design solution.

##### **Jeremy Montemayor - Photographer** ([jeremymontemayor.com](http://jeremymontemayor.com))

Design and compose themed typographical posters using photography by Jeremy Montemayor.

##### **The Bay Area Press - Emerge Music Alliance**

Designed a logo and website with graphic imagery in collaboration with the clients needs.

##### **Amy Fritz Designs**

Edited and created PowerPoint Presentations by incorporating the current themes and templates.

Designed and produced physical mock-ups of publication designs.

Worked on web designs using direction from the clients themselves.

#### **Senior Designer** 06/2009 - 05/2010

##### **University of San Francisco**

Worked with clients such as students, departments, clubs and organizations to design posters, publications, fliers and other printed design materials. Assisted Junior and Intern designers with using Adobe software.

Critiqued designs and provided suggestions for improvement.
